SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of this Change Order is to incorporate revised prices for the balance of the performance periods (remainder of FY00, FY01 and FY02) under Catalog Contract DAAE20-98-D-0035. Firm Fixed Prices were negotiated for the 19 items contained under this contract for each of the remaining performance periods based on ranges established and agreed to by both parties. The revised pricing was completed based on the "re-visit" clause which was negotiated under the basic award action for the Catalog Contract.
2. The clause allowed the contractor to review the agreed prices contingent upon specific criteria. At the time that negotiations were almost complete under the original award action, the contractor notified the government of their intent to move the Bradley production from the Pittsfield, MA production facility to their Muskegan, MI and Tallahassee, FL facilities. Based on this and in an effort to sustain the negotiations, it was agreed that the contractor, upon completion of this transition, would be allowed to review the pricing in relation to labor rates, overhead, etc. for the other production facilities.
3. Based on the above, the attached breakdown of prices for each item based on the agreed ranges is hereby incorporated into the contract for the balance of the performance periods of this catalog contract.
4. In addition, the government hereby exercises the option to extend the performance period for the period of 1 Oct 2000 thru 30 Sep 2001 (FY01).
5. All other terms and conditions of the Catalog Contract remain unchanged.
